Re: (Landowner(s))

Agreement Number:

Date: August 3, 2000

I met with the above referenced landowner(s) and surveyor regarding the WRP easement as indicated in the noted agreement on (insert date). We have carefully reviewed the monuments set by the surveyor. The landowners(s) and I have agreed that the surveyed tract, as monumented, including an ingress/egress route, is the area intended to be transferred to the United States of America as a WRP easement.
