
Acknowledgments

Numerous people have contributed to the writing of this handbook. Their contributions are acknowledged and appreciated. In addition to those listed here, the contributions of those individuals who developed and revised the agency's previous construction inspection handbook (NEH 19) are also acknowledged. The acknowledgements are presented in alphabetical order.

Authors

Rosanna Brown, landscape architect, U.S. Department of Agriculture, Natural Resources Conservation Service, National Design, Construction, and Soil Mechanics Center, Fort Worth, Texas

Dennis Clute, construction engineer, U.S. Department of Agriculture, Natural Resources Conservation Service, National Design, Construction, and Soil Mechanics Center, Fort Worth, Texas

Ben Doerge, geotechnical engineer, U.S. Department of Agriculture, Natural Resources Conservation Service, National Design, Construction, and Soil Mechanics Center, Fort Worth, Texas

Joe Freeland, project engineer, U.S. Department of Agriculture, Natural Resources Conservation Service, Pauls Valley Technical Support Office, Pauls Valley, Oklahoma

Dr. John Gambatese, assistant professor, Department of Civil, Construction and Environmental Engineering, Oregon State University, Corvallis, Oregon

Fred Gasper (retired), assistant State conservation engineer, U.S. Department of Agriculture, Natural Resources Conservation Service, Michigan State Office, East Lansing, Michigan

Lyn Gillespie, national construction engineer, U.S. Department of Agriculture, Natural Resources Conservation Service, Conservation Engineering Division, Washington DC.

David Pacheco, construction engineer, U.S. Department of Agriculture, Natural Resources Conservation Service, National Design, Construction, and Soil Mechanics Center, Fort Worth, Texas

Don Shanklin (retired), construction engineer, U.S. Department of Agriculture, Natural Resources Conservation Service, National Design, Construction, and Soil Mechanics Center, Fort Worth, Texas

Reviewers

Anna Bramblett, agricultural program technology specialist, U.S. Department of Agriculture, Natural Resources Conservation Service, Georgia State Office, Athens, Georgia

Rosanna Brown, landscape architect, U.S. Department of Agriculture, Natural Resources Conservation Service, National Design, Construction, and Soil Mechanics Center, Fort Worth, Texas

Randy Busbea (retired), State construction engineer, U.S. Department of Agriculture, Natural Resources Conservation Service, Arkansas State Office, Little Rock, Arkansas

Sam Carlson, former national construction engineer, U.S. Department of Agriculture, Natural Resources Conservation Service, Conservation Engineering Division, Washington DC.

Dennis Clute, construction engineer, U.S. Department of Agriculture, Natural Resources Conservation Service, National Design, Construction, and Soil Mechanics Center, Fort Worth, Texas

Wayne Carvell, agricultural engineer, U.S. Department of Agriculture, Natural Resources Conservation Service, Pennsylvania State Office, Harrisburg, Pennsylvania

Joe Freeland, project engineer, U.S. Department of Agriculture, Natural Resources Conservation Service, Pauls Valley Technical Support Office, Pauls Valley, Oklahoma

Dale Garber, project engineer, U.S. Department of Agriculture, Natural Resources Conservation Service, Crowley Service Center, Crowley, Louisiana

Marie Marshall Garsjo, geologist, U.S. Department of Agriculture, Natural Resources Conservation Service, National Design, Construction, and Soil Mechanics Center, Fort Worth, Texas

Fred Gasper (retired), assistant State conservation engineer, U.S. Department of Agriculture, Natural Resources Conservation Service, Michigan State Office, East Lansing, Michigan

Lyn Gillespie, national construction engineer, U.S. Department of Agriculture, Natural Resources Conservation Service, Conservation Engineering Division, Washington DC.

Brett Nelson, State conservation engineer, U.S. Department of Agriculture, Natural Resources Conservation Service, Alaska State Office, Palmer, Alaska

David Pacheco, construction engineer, U.S. Department of Agriculture, Natural Resources Conservation Service, National Design, Construction, and Soil Mechanics Center, Fort Worth, Texas

Jacob Robison, State design engineer, U.S. Department of Agriculture, Natural Resources Conservation Service, Lincoln NRCS/RD State Office, Lincoln, Nebraska

Don Shanklin (retired), construction engineer, U.S. Department of Agriculture, Natural Resources Conservation Service, National Design, Construction, and Soil Mechanics Center, Fort Worth, Texas

Brad Sticker (retired), State conservation engineer, U.S. Department of Agriculture, Natural Resources Conservation Service, Louisiana State Office, Alexandria, Louisiana

Lee White, State construction engineer, U.S. Department of Agriculture, Natural Resources Conservation Service, Iowa State Office, Des Moines, Iowa

Larry Wilson (retired), construction engineer, U.S. Department of Agriculture, Natural Resources Conservation Service, Rocky Mountain Engineering Team, Lakewood, Colorado
